DriveStation™ Duo USB 3.0

2 YEAR WARRANTY

The Buffalo DriveStation™ Duo USB 3.0 is a high performance, multimedia, external hard drive perfect for the home or small office that requires large amounts of storage space.

The unit is a two drive; two bay RAID enabled drive with RAID 0 for performance and RAID 1 for redundant storage. The DriveStation™ Duo gives additional storage to quickly backup all your multimedia files.

With data transfer speeds of up to 10 times faster than USB 2.0, compatible with Windows Server 2003/2008 and available with NovaStor NovaBACKUP Business Essential backup software, the DriveStation™ Duo 3.0 quickly backs up your entire server system and database.

The DriveStation™ Duo USB 3.0 comes complete with the Buffalo Tools suite of complimentary software that offers enhancements such as TurboPC and TurboCopy to improve the file transfer and copy performance of the drives.

The DriveStation™ Duo USB 3.0 features the capacity, redundancy and performance required for any demanding user, the perfect solution for backing up large servers or multimedia files.

| **Two Hard Drives with RAID – for performance and reliability**
| **High Speed – 10x Faster than USB 2.0**
| **Server & PC Backup – Compatible with Windows Storage Server 2003/2008**
| **Power Saving - Power turns on and off automatically with your computer**

DriveStation™ Duo USB 3.0

USB 3.0 Super Speed / **USB 2.0** compatible
